

caption - describing these photos (with years, and names if we have them would be neat), giving a brief history of the building, when it was built, what was around it back then, etc.

the text would replace this red box

caption - describing these photos (years, names again would be cool), this could be a good place to start connecting the station to the city

text would replace this red box (not the whole thing, just this general shape)

caption - describing photos above (explanation of move and renovations, with dates), a thank you to the city - there'd be a break in the text for the fold
